

Submitter: Michael Flaningam
On Behalf Of:
Committee: House Committee On Judiciary
Measure: HB3390

I strongly support banning fur sales. As a resident of the coast, I've learned and am often reminded of the story of how Oregon sea otters were hunted to extinction. We need to learn from this tragedy. There is no need for we humans to kill other creatures in order to profit off of their fur. There are more humane ways to be warm or fashionable.
