

Submitter: Nancy Mauter

On Behalf  
Of:

Committee: Joint Committee On Ways and Means Subcommittee On Natural  
Resources

Measure: SB5509

I am in support of restoring the Wildlife Coexistence Funding Package to the ODFW Budget. Supporting wildlife stewardship, resolving human-wildlife conflict, and wildlife rehabilitation programs are important functions of the ODFW. Funding is critical to support the important work towards wildlife stewardship, community engagement and expanding resources to sick and injured wildlife.
