Committee: House Committee On Judiciary

Measure: HB3390

To the Chair and Members of the Committee, as an Oregon resident, I strongly support House Bill 3390 prohibiting the sale of new fur products in our state. Oregon needs to be a leader in protecting animals from this kind of cruelty. As a society, there is no longer a need to abuse animals to produce what we need, thanks to many alternatives. Thank you for considering my opinion.

Respectfully,

Linda Snyder
