Measure: HB2007

Hello,

I oppose HB 2007. HB 2007 would create a zig-zag of regulated spaces that one would never be able to navigate and impossible to traverse. It would without a doubt make good, law abiding Oregon citizens lawbreakers. As a 30 year old female trained in firearms and concealed carry, it is my constitutional right to protect myself from sexual and physical harm to myself or my family. Why attack law-abiding citizens? This is almost certainly unconstitutional for the unknown circumstances it would create and the limits it would place on the law abiding citizens of Oregon. Again I oppose bill HB2005. I ask of you to please do not pass this nightmare of a bill and take away my rights.

Thank You,
Lauren Maerz
