

Submitter: Tyler Brooks
On Behalf Of:
Committee: House Committee On Judiciary
Measure: HB2007

I oppose HB2007. Concealed Carry holders are among some of the most honest law abiding citizens in the country. We are background checked and finger printed to legally carry a firearm concealed. Historically, CHL holders are not the criminals here. You are essentially turning law abiding citizens into criminals with this bill. I urge my elected officials to vote NO on HB2007
