Measure: HB2006

I am writing in opposition to this bill because those who are old enough to go to war are old enough to possess firearms for hunting, self defense, or sport shooting. Absolutely nothing in the original intent of the Second Amendment mentions prohibition of certain age groups. This bill is written so broadly as to completely deny 18 to 20 year Olds their Constitutional right to keep and bear arms for any purpose. Therefore, I am urging that this bill be withdrawn from consideration.
