Committee: House Committee On Judiciary  
Measure: HB3214

To the Chair and Members of the Committee, as an Oregon resident, I strongly support House Bill 3214 prohibiting person from using specified types of animals in traveling animal act.

In the U.S., there are no federal laws prohibiting animals in a traveling animal act. Animals routinely suffer cruelty to "Teach them" how to perform certain "tricks or amusements".

Oregonians cares deeply about animal welfare.

HB 3214 creates commonsense policy that helps Oregon continue to lead the nation on animal welfare and environmental protection.

Respectfully,  
Laurie Briggs
