

Submitter: Connie Friedrich

On Behalf
Of:

Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure: HB2948

When the wildfires required us to evacuate, we went to the Clackamas County fairgrounds. We hauled 27 head of goats and 5 horses. The fairgrounds were almost full but made room for us. The Clackamas County fairground needs help to have accommodations if we need to evacuate again.

Thank You
