Committee: House Committee On Judiciary
Measure: HB3390

To the Chair and Members of the Committee, as an Oregon resident, I strongly support House Bill 3390 prohibiting the sale of new fur products in our state. Respectfully, Altamush Saeed.

In the U.S., there are no federal laws requiring regular inspections of fur factory farms. Animals routinely suffer in darkness.

Oregonians cares deeply about animal welfare.HB 3390 creates commonsense policy that helps Oregon continue to lead the nation on animal welfare and environmental protection.

Factory fur farming is inherently cruel to animals and pollutes the environment with toxic chemicals.

Please consider supporting HB 3390 and portray OR as a humane state.

Thank you!
