Measure: HB2005

I oppose this bill because "undetectable firearm" is a BAD term. Many of my relatives own antique or other firearms that could be called "undetectable." My relatives are proud of their state and would come to the aid of fellow Oregonians at the drop of a hat! This bill would call them criminals which is WRONG! The real criminals buy, own, make, sell firearms without any regard for any law!

Do not pass this bill!
