Estimado Representantes,

Mi nombre es Maria Menchu estoy escribiendo esta carta en peticion a la ley HB 2990.

Todo Oregon debe tener Centros Comunitarios de Resilencia en caso de una emergencia natural que tenga la capacidad y condiciones adecuados.

En mi ciudad no esta preparado para un desastre, somos muchos avitantes, ami me preocupa por los desastres naturales porque no sabemos cuando puede no sabemos cuando puede tocarnos uno y sin saber donde ir y no tenemos información como prepararnos pienso que no quedariamos en la calle con mi hijos y nos muereramos de frio o calor.

Por favor pido su voto a esta campana HB 2990.

Atentamente,

Re: Support for HB 2990 Community Resilience Hubs

Dear Representatives,

My name is Maria Menchu. I am writing this letter as a petition for House Bill 2990.

All of Oregon should have Resilience Community Centers in the event that an emergency arises. This center should have adequate conditions and capacities.

My city is not prepared for a natural disaster and there are many people living here. This worries me because natural disasters happen without prior warning and we never know when one might strike. Without knowing where to go or without any information on how we can prepare, I believe that we would have no other choice but to go on the streets and die from extreme temperatures.

I kindly ask for your vote on this campaign HB 2990.

Sincerely,

Maria Menchu
