

Submitter: Saherra Smith

On Behalf Of:

Committee: House Committee On Behavioral Health and Health Care

Measure: HB3090

It will hurt the small businesses we understand the reasoning behind this as we have kids too . Instead make it that for every purchase ID has to be scanned in . And it will kill two birds with one stone as underage sale will be almost 0 and they can make it that way it's a plain white box and specify the flavor with name instead of color . There's a lot missing re can be done instead of banning.
