Measure: HB3090

Dear Chair Nosse and Member of Committee

I am in opposition of HB3090. I am a 47 year old Male that has vaped for 11 years and I started smoking at 14 years and this was the only thing that helped me quit. I pay taxes and vape tax can't we just leave this alone. What happened to the land of the free? I hope you reconsider this Bill that will cause more harm then good.

Thank you
