On Behalf Of:
Committee: House Committee On Judiciary
Measure: HB2007

Dear Chairman Kropf and Members of the House Judiciary Committee,

I'm writing to ask that you support HB 2007 which would give local governments the authority to make the public safety decision to prohibit all guns on municipal property if they so choose.

Local governments should be given all of the tools they need to keep their communities safe from gun violence. This bill isn't controversial. It simply allows those who work in municipal properties to have a choice. As we saw after the passage of SB 554 in 2021, a diverse population from around the state chose to prohibit guns on school properties-because we know that having more guns does not make us safer.

Please pass this bill and allow local governments to institute public safety measures to keep their buildings safe.

Thank you for your time and consideration.

Sincerely,
Cicely Thrasher
