Re: HB 3374, Relating to vehicle crashes – Support for -1 Amendments

Dear Representative McLain and Senator Gorsek,

The American Property Casualty Insurance Association (APCIA)¹ is pleased to **support the -1 amendments to HB 3374.**

The -1 amendments to HB 3374 are simple – it offers clarity that the provisions of HB 3374 will not affect the obligations or rights of an insurer, applicant for insurance or insurance policyholder. Since HB 3374 does include the insurance code, APCIA appreciates the author’s willingness to limit any unintended insurance implications.

Accordingly, for the abovementioned reason, **we are pleased to support the -1 amendments to HB 3374.** We appreciate your consideration of our comments and look forward to continued discussions on this issue. Should you have any questions, please contact me at 209.968.9107 or denneile.ritter@apci.org.

Sincerely,

Denni Ritter
Vice President, State Government Relations
