Committee: House Committee On Judiciary

Measure: HB2005

This takes away the ability for legal gun owners to build there own rifles or handguns. Along with the fact this will only affect law abiding citizens it's already shown in other states that gun control doesn't work we should start holding the people that commit crimes and organizations that a flooding the streets with fetynal and meth and herion. The true epidemic in oregon and start putting more to mental health help then illuminating constitutional rights of those that are law abiding citizens.
