Measure: HB2007

I strongly oppose HB2007. This is a violation of the constitutional rights of law abiding citizens. Crime is a big concern for all Oregonians and this bill would put law abiding citizens in danger. Criminals do not follow the law so this does nothing to reduce crime and only hurts the people you were voted in to serve. The focus of our government should be on reducing crime and not on taking rights away from its law abiding citizens.
