

Submitter: Tracy Hoodenpyl

On Behalf Of:

Committee: House Committee On Judiciary

Measure: HB2005

I feel punishment is too harsh for the 2nd amendment rights of the people, why is that?, Why does responsible gun owner have to pay for broken system?, it's not fair or moral right, If you take a good look at the horrible situation that have occurred, the person's that committed these crimes, were mentally ill, that were we also need to focus on, you get a handle on the mental illness, The less tragedies there are,

Thank you Tracy Hoodenpyl
