

Submitter: Damon Schwartz
On Behalf Of:
Committee: House Committee On Judiciary
Measure: HB2006

I am writing this testimony to say I completely oppose HB 2006. I have owned guns since I was 12 years old. I am now 52. The guns are not the problem. Parents need to be parents and teach the children responsibility of legal firearms. If they dont feel like they are capable of handling a firearm safely dont give them access to them. Something went wrong in parenting.
