Committee: House Committee On Judiciary

Measure: HB2005

I oppose HB 2005,6,7. I am a 70 + year old female, widow, living alone in a home that isn't visible to the road. Without the lawful ability to purchase an appropriate weapon, I will be defenseless. I am a law abiding citizen, and want to continue to be one. However those who would harm me are the same people who will not pay attention to the laws that these bills would create. I urge a NO vote.
