

Submitter: Ellycea Geer
On Behalf Of:
Committee: House Committee On Judiciary
Measure: HB2007

I oppose this legislation. It infringes upon my rights as an American citizen. The second amendment stands for a reason. To keep corrupt government at bay. I refuse to vote away mine and my American brothers and sisters rights. I implore the "leaders" and "representatives" of this state to kindly stop wasting tax payer dollars on this absolute rubbish. I repeat, opposed.
