

Submitter: Joe Criscione

On Behalf Of:

Committee: House Committee On Judiciary

Measure: HB2005

I oppose this bill. Your laws are not working. You need to take a step back, reassess what is really the root cause of this, and attack that first. I guarantee that if you get the drug use, homelessness, and mental health under control, this madness will cease to be an issue. I also request that a firearm safety course be available in schools. This is a part of our culture and you cannot remove these rights.
