

Submitter: Rodney John Tombleson
On Behalf Of: Self and the constitution of Oregon USA
Committee: Senate Committee On Judiciary
Measure: SB320

NO, NO, no. You keep letting criminals out of jail and then demonize gun ownership. Your plan is so ugly and deceitful, but also transparent!

Go away you haters. Freedom is what we were founded on, not your socialist nonsense.

Please join me in being tough on criminals, but not objects.

Thank you.
