

My name is Cathy DeForest from Portland, Oregon. I have been working for 8 years to prevent gun violence through my nonprofit, Vision Quilt: www.visionquilt.org.

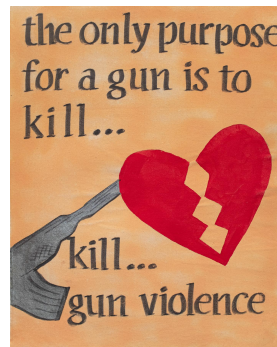

Oregonians from ages 3- 96 have shared their visions and hopes to prevent gun violence through the power of art and inclusive dialogue. This includes Oregonians who are gun owners, Vietnam veterans, physicians, teachers, therapists, parents, grandparents and young people K-12 grade and college students from Grant's Pass, Medford, Ashland, Portland and small towns in between.

We implore you to VOTE YES on HB 2005, HB 2006, and HB 2007.

Here are some of their Vision Quilt panels that show you their opinions, and their hopes that you, our legislators, will do the right thing: **Protect people from gun violence!**
