where do these people come from? They are trying to make criminals to all OREGONIANS there is animal products (hair, skin, adornments',all parts of animals) used in NATIVE AMERICAN products which people buy to HONOR them. I am not a NATIVE AMERICAN, I am a white AMERICAN that honors NATIVE AMERICANS by supporting them at POW WOW'S, personal products they sell. I will always buy native products from Oregon, Idaho,North & South Dakota,Montana,Wyoming, Alaska, Washington. I think they are beautiful and I will honor NATIVES by supporting them for they waste nothing.

If you want to do some thing You need to grow up! and stop all products that come from CHINA,INDIA,and any other country where these products are raised for fashion products. That includes puppys,kittens,birds,endangered animals-birds
