Measure: SB611

Oregon is a state where the politicians do not support the hard working landlords trying to make an honest living. The renters have ALL THE RIGHTS! They can swat, not pay rent, trash your home and when you try to evict them....YOU WANT US TO PAY THEM!! It's the same with the homeless. Until the politicians figure out that giving them everything is NOT working the abuse will continue.

Our homeless problems started in the 1970's when the state closed our mental hospitals.
