

Submitter: Josh Hurlbert  
On Behalf Of:  
Committee: House Committee On Judiciary  
Measure: HB2007

This bill infringes on our right to keep and bear arms and this is extremely Unconstitutional. Passing this bill would make it almost impossible to express our 2A right as Americans/ Oregonians. Criminals will not adhere to this bill. You need to focus all resources to holding criminal's accountable and not focus on making law abiding citizens into criminals.
