

Submitter: Joseph Mitchell

On Behalf
Of:

Committee: House Committee On Agriculture, Land Use, Natural Resources, and
Water

Measure: HB3086

As a lifelong resident of Oregon and avid outdoorsman, I feel it is important that all regions of the state are represented by someone from, and familiar with, various areas. I believe this would give a more balanced representation by having a committee based on geographical area rather than political boundaries. I do not support amendment #1.
