

Submitter: Jonathan Ciampi

On Behalf Of:

Committee: House Committee On Judiciary

Measure: HB2007

The proposed bill will do nothing but make life difficult for law abiding citizens who wish to protect themselves, and give criminals who would harm them (and certainly won't follow the law) a free pass. Please consider the many, many cases of criminals being stopped by lawful gun owners. Do to this I strongly oppose restrictions on where Oregonians can carry a firearm.
