

Submitter: Casey Miller

On Behalf
Of:

Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure: HB2948

House Committee -

We request your support HB 2948.

We have been many years in the process and are near redesigning our Fairgrounds. It is our hope that we may create an integrated Emergency Operations Center and a safe place for evacuation with these new facilities.

Thank you,

Casey Miller
County Commissioner, Lincoln
