Measure: HB2007

This is unconstitutional against the US Constitution and Oregon Constitution. Plus a rag tag amount of rules will be hard to follow and I cringe to think people will leave their guns in the car as moms demand action suggested last year. Cars are stolen in Oregon frequently. The safest place to be for my children is in a area that law abiding citizens with additional licensing will carry guns. Do not create gun free zones as that is putting a target on our families.
