

Submitter: Jeff Evenson  
On Behalf Of: Fair Feed and Supply  
Committee: House Committee On Judiciary  
Measure: HB3390

I strongly oppose the bill HB3390. As a proud resident of Oregon for the past 28 years bills like this represent a slippery slope to the demise of individuals that make a living in this area. Rather than a complete dismissal of trapping I am not seeing any discussion on how it can be done differently, just a complete ban. This type of legislative action can lead to other means of living being attacked.
