

Submitter: Chad Tucker
On Behalf Of:
Committee: House Committee On Judiciary
Measure: HB2005

There is no reason to take away the right of the people to build their own firearms other than tyrannical abuse of power. This is been a right since God made man, and just because you feel you're smarter and more sophisticated than the commoners doesn't mean you have a right to violate a God-given freedom. This will hurt law-abiding citizens and not law breaking citizens.
