

Submitter: Jennifer Litwin

On Behalf Of:

Committee: House Committee On Judiciary

Measure: HB2005

Chair Kropf, Vice Chairs Andersen and Walan and members of the House Judiciary Committee:

I am writing to urge you to please pass HB 2005 and ban ghost guns that have become so easy to make and are untraceable and undetectable. These guns make our community unsafe and as a mother of two boys, one in college and one in high school, I worry about their safety constantly. Learning that these guns have already been discovered in Oregon, only exacerbates this worry. Ghost guns undermine gun safety laws and are increasingly being used for criminal activity at an alarming rate. Please do all that you can to ensure that Oregon is a safe place for everyone.

Thank you for listening.
