Re: HB 2005 - OPPOSE

Dear Chair Kropf, Vice Chairs Andersen and Wallen, and Honorable Members of the Committee:

It is this body's constitutional obligation to prove the proposed bill is not unconstitutional, as outlined in *D.C. v. Heller* and reaffirmed in the *N.Y. State Rifle & Pistol Association v. Bruen* decision. Yet, this committee has not provided evidence to support and prove there is a historical and traditional analog to justify the proposed bill.

Oregon Constitution Article I. Section 27

Right to bear arms; military subordinate to civil power. The people shall have the right to bear arms for the defence [sic] of themselves, and the State, but the Military shall be kept in strict subordination to the civil power[.]

Thank you for your time.
