Measure: HB2005

I OPPOSE-

This is against the US Constitution and Oregon Constitution.

US Constitution- The right of the people to keep and bear Arms, shall not be infringed.

Oregon Constitution-Section 27. Right to bear arms; military subordinate to civil power. The people shall have the right to bear arms for the defence [sic] of themselves, and the State, but the Military shall be kept in strict subordination to the civil power[.]

Definition of infringed and infringement is, “act so as to limit or undermine (something); encroach on.” AND... “the action of limiting or undermining something.”
