Measure: HB2006

I OPPOSE-

This is against the US Constitution and Oregon Constitution.

US Constitution- The right of the people to keep and bear Arms, shall not be infringed.

Oregon Constitution-Section 27. Right to bear arms; military subordinate to civil power. The people shall have the right to bear arms for the defence [sic] of themselves, and the State, but the Military shall be kept in strict subordination to the civil power[.]

Definition of infringed and infringement is, "act so as to limit or undermine (something); encroach on." AND... "the action of limiting or undermining something."

If our sons and daughters can enter military service AND War at the age of 18 this is an absurd restriction at the least, furthermore 18 year olds live on their own supporting themselves and taking/restricting their RIGHT to self defense is NOT equitable or supplies/offers ANY real rational reasoning. It's straight infringement!
