

Submitter: Albert E Porter
On Behalf Of: Keizer
Committee: House Committee On Judiciary
Measure: HB2007

In regards to HB 2007, I totally disagree with this measure, and the blatant attempt to erode, and remove our Constitutional 2nd Amendment rights to own and bear arms. Why has this measure not come to we the people ? I want to represent myself in these matters. Not someone who does not even know my personal tastes and hobbies. Thankyou.
