

Submitter: Barbara Markee

On Behalf Of:

Committee: House Committee On Judiciary

Measure: HB2006

NO! I am opposed to HB 2006. Denying American citizens of their Constitutional rights is NOT acceptable. It is a violation of their rights and is absolutely DISCRIMINATION. Legislation that punishes the free and law-abiding instead of focusing on the criminals and perpetrators is wrong and abhorrent. NO to HB 2006.
