Measure: HB2007

A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, SHALL NOT BE INFRINGED.

HB 2007 is in direct violation of Amendment II of the Constitution of the United States of America.

"Gun free zones" not only do nothing to stop criminals from committing acts of violence; instead they INVITE criminals to commit acts of violence in places they know they will not likely or quickly be challenged. "Gun free zones" are dangerous for America and they are dangerous for Oregon.
