

Submitter: Barbara Markee

On Behalf Of:

Committee: House Committee On Judiciary

Measure: HB2007

Terrible idea! I am opposed to HB 2007. I have the right to own and use a gun according to the United States Constitution, Amendment Two. This created an undue burden on me and gives too much unjustified power to those who have no need for it. I should not have to navigate the complicated and individualized twists and turns of individual rules in a public space that is covered by Constitutional laws. NO!
