

Submitter: Daniel Walter
On Behalf Of: Eugene
Committee: House Committee On Judiciary
Measure: HB2007

I oppose HB2007.

There is NO history or tradition of making such an extensive off limit zones for Concealed Handgun License (CHL) holders. It is unconstitutional. It will negatively effect approximately 311,000 CHL holders in Oregon. This will Infringe on our rights to defend ourselves.

Article 1 Section 27 of the Oregon constitution says “Right to bear arms; military subordinate to civil power. The people shall have the right to bear arms for the defense [sic] of themselves, and the State, but the Military shall be kept in strict subordination to the civil power[.]”

You won't stop any actual criminals, because they do not follow laws.

This will NOT stand up in court and Oregon doesn't need any more lawsuits, Say no to HB2007.
