

Submitter: Pati Hall  
On Behalf Of: retired  
Committee: House Committee On Judiciary  
Measure: HB3390

I do not support real fur from animals on clothing.

The filthy conditions of cages and gross lack of care along with neglect and abuse is just disgusting.

To treat an animal this way for the sake of their fur shows there is something wrong with us. There is no excuse for this unethical treatment of any animal for any reason. This needs to stop now.
