Measure: HB3390

I strongly oppose this bill. Your bill will put many of the state's citizens out of work. This bill will make most flies that are sold for fly fishing illegal in the state. This will close fly shops, fishing outfitters, guides, and any tourism to the state for the purpose of enjoying this sport. This bill has not been thought out and anyone who supports it is showing their lack of empathy towards the thousands of people that this bill will detrimentally affect.
