

Submitter: Robert Schultz

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB348

Why does every session focus on destroying all elements of our 2nd Amendment? Why not focus on the job we elected you to do.... KEEP US SAFE (We the People). Instead we have 3 Mexican Cartels openly operating in our state. Homelessness is at epidemic proportions, and ALL DRUGS ARE LEGAL??? Catch & release criminals, record fentanyl deaths!! This happens everyday... but our Representatives have bigger fish to fry, they are pushing extreme political positions on our rights. Namely the 2nd Amendment.

Get back on the side of the UNITED STATES of AMERICA and pushing destructive agendas on US! Make Oregon Safe Again.
