

Submitter: Nicole Chaisson
On Behalf Of:
Committee: Senate Committee On Judiciary
Measure: SB348

According to the US Constitution and the Oregon Constitution if you vote for this you are in direct violation of your oath.

Here is your solution uphold the Las we already have and prosecute criminals.

Kate Brown let 2000 criminals out of jail
You will not get rid of Measure 110 thus now we have cartel and criminals flocking to our state.

DA's that will not prosecute or have a revolving door are part of the problem.

Shore up the prosecutions and allow law abiding citizens to carry their weapons constitutionally then crime will go down.

Stop giving money and tents to drug addicts

Easy enough.
