

Submitter: Shelly Jillson

On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure: SB611

Hi!

I have lived in this mobile home park for over 15 years. I love it here and can't imagine being anywhere else. I am now unable to work and have applied for disability and am on social security. Please help us to support the limit of increased rents!! We are just holding on here barely and would so much appreciate your help.

Thank you! Shelly Jillson
