

Submitter: Adam Hortenberry  
On Behalf Of: Hareline dubbin llc  
Committee: House Committee On Judiciary  
Measure: HB3390

This would greatly impact the lively hood of many people across our country not just your state. Please oppose this bill. A lot of us depend on furs etc. for fly fishing and fly tying. We feed our families on making this fishing flies for people to enjoy with themselves and their families.

-Adam Hortenberry
