

Submitter: Gordie Foster  
On Behalf Of:  
Committee: House Committee On Judiciary  
Measure: HB3390

Why are you introducing a bill that prohibits the sport of fly tying and fly fishing. This to me is a personal preference. Someone elected feels they speak for everyone and wants to personally ban it. This is nothing but a bid for control and pushing your own agenda. You are out of touch and not speaking for everyone. Shame on you. You need to rethink your position.
