Committee: Senate Committee On Judiciary  
Measure: SB348

I oppose SB 348. Yet another blatant abuse of the 'emergency clause.' by the Democrats. I understand Floyd Prozanski is pushing this one. One thing about SB 348 is that it is just as unconstitutional as Measure 114 is, along with the proposed HB 2005, HB 2006 & HB 2007. I do not understand what the Democrats obsession is with the law abiding gun owners in Oregon are and why they hate them so. The law abiding gun owners and Concealed Handgun License holders in Oregon are not the problem and never have been. The problem is the Democrats.  
Oppose SB 348.
